60 seconds every 30 days could save your life
In less time than you take to shave your legs in the shower, you could do a self exam and save your life. Isn't it worth taking 60 seconds to be sure?

Thank you to these companies for donating to the
2011 Silent Auction
 Check out the event website for details of the items and new items added daily.

Since a few of our items require more detailed information and preparation before you can bid, I would like to bring them to your attention before the gala. One is date sensitive and cannot be changed, so you should be sure you are available for that date. If I can answer any questions about these or any of the other items, please feel free to contact me at susan@pinktiegala.org or 745-0006
